NO BANNERS OR FLAGS AT DEEPPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

CLUB NOTES

UNPALATABLE SIXTH HOME DEFEAT

A CHANGE in management, the official announcement of which came too late for inclusion in last Saturday's issue, gives Mr. Robert Seith complete charge in this department in succession to Mr. Jim Milne. He came to Deepdale last November as team manager and is now the club's 12th manager since the first appointment in 1919. Mr. Milne has retired from the position of general manager and taken over the less demanding but important duties of chief scout, a position which these days is vitally necessary to League clubs ever competing against the scarcity of talented and promising young players, and for which he has every qualification.

We take this opportunity of wishing them both good luck and success in their responsible tasks in the belief that they will bring better times to the club, with the success and prosperity for which all North Enders yearn. Mr. Milne has given North End extremely valuable service as player, trainer and manager going back to 1933.

He was a member of the 1934 promotion side and of the team which finished third in the 1937-38 Championship, as well as reaching the Cup Final for the second year in succession. On the losing side at Wembley against Sunderland in 1937, he was unlucky again a year later in missing the Final through injury.

In a vital match at Deepdale only a week earlier against Arsenal, who became Champions through winning 3-1, he had a collar bone broken in a collision with Kirchen, and North End lost with ten men. He was trainer of our defeated 1954 Cup Final team and manager when West Ham won against us at Wembley ten years later.

CLUB NOTES—*continued*

Mr. Seith, who is 35 and made his name as a player with Burnley and Dundee and as Glasgow Rangers' chief coach, expressed himself as very happy to take on the fuller responsibility of managernship, and also to have Mr. Milne's aid in his new post. His aim, as previously, will be to fashion a winning team.

Every supporter will echo our good wishes in this respect and share his disappointment that our run of success to beat the relegation threat brought the anti-climax of an away defeat and another at home against Millwall last Saturday.

No doubt this was contributed to by injuries which enforced further team changes, but there is no point in making excuses when 11,500 spectators saw for themselves a most disappointing display by the side as a whole. We know that the players, who themselves were upset by the result, can and will do much better. They had an off-day and that was that.

They realise that an opportunity was lost to give the public something to look forward to next season and regret that the occasion did not produce a repetition of their better performances away from home in recent months, such as our win at Derby in a vital match. However, to-day offers a chance to make amends. Everyone wants a good finish, and we hope it will still work out that way.

The Reserves, too, for various reasons, tailed off into a finish that was a complete contradiction of their successful efforts since February. They lost the last two matches after playing 13 games and losing only once. Still, they have had a wonderfully good season, the best for many years, finishing with 47 points, 23 of them gained in 21 away matches, including ten wins.

OUR VISITORS—*Portsmouth*

NORTH END, as always, are pleased to welcome popular "Pompey," a club with a reputation for good football, and long a credit to the First Division. For several months this season they looked like getting back. Their 2-1 win against us at Fratton Park in September was the fourth in a run of ten matches for 17 points, and from mid-November to the end of December there was another promising spell during which Portsmouth lost only once. For five successive weeks they led the Second Division.

Since then their fortunes have fluctuated, and the chance of promotion had already gone when Ipswich gained a valuable victory at Portsmouth last Saturday to avenge a home defeat in December.

In common with several other former First Division clubs, Portsmouth have gone through one of those adverse phases which test loyalties and resources to the utmost. They are one of 14 Second Division teams, including North End, who have been in Division I.

They were relegated in 1959 after 25 successive years in the premier division. Their elevation was achieved after only seven seasons of League football, four in Division III from 1920, and three in the Second Division.

On the last day of the season 1926-27 North End were Portsmouth's opponents in a vital game at Fratton Park. "Pompey" had to win by a considerable margin to get second place to already-promoted Middlesbrough. The issue depended mainly on how many goals Manchester City could get and not concede, for Portsmouth started with the better ratio. City put eight through without reply from Bradford City, making their aggregate 108 for the season.

OUR VISITORS—continued from page 9

This overwhelming win was not sufficient owing to "Pompey" beating North End by 5-1. "Farmer" Haines scoring four. As a result Portsmouth gained promotion by what was described as the 200th part of a goal. Thus they were rewarded for conceding fewer goals (49) than any Division II rival.

Portsmouth enjoyed another taste of glory shortly before the last war, when they upset all popular forecasts with a 4-1 win at Wembley against Wolves who were after the "double" but missed both the Cup and their Championship.

After finishing twelfth in the first post-war season, "Pompey" rose to greatness in five glorious years, winning the championship twice in successive seasons and not finishing lower than eighth. A decline ensued. In 1958-59 they were relegated as the bottom First Division club and narrowly missed further relegation a year later. The unhappy event was merely postponed for 12 months, but they fought back to win the Third Division championship in one season.

This is Portsmouth's sixth season back in Division II, and only twice has it been plain sailing. Last season "Pompey" lost 0-1 at Deepdale and beat us by 2-1 at Fratton Park. They have won at Deepdale only twice since our first meeting in 1925-26. The following season and 21 years later. Of the remaining 21 we won 11 and drew 10.

Portsmouth were founded in 1899 in succession to Royal Artillery Club, Portsmouth (Southern League 1898-9); and were themselves in that League from 1899 to 1920, then becoming one of the original members of the Division III.

Of the many players who have splendidly served Portsmouth, none has a record comparable with that of Jimmy Dickinson. In 20 post-war years he played in 764 League games—an all-time record for peace-time appearances. He also played 48 times for England in full internationals and his services to football were recognised by the award of M.B.E. in 1964. He has become the club's public relations officer.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that **FULL USE SHOULD BE MADE OF THE CAR PARKS WHICH ARE PROVIDED.**

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will **AVOID BEING PROSECUTED** for inconsiderate use of the highway.

YOUNG SUPPORTERS WARNED

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
